

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRA TOP PLATE/BOLT FOR FORSTER CO-AX PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 pressS w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is compatible with your reloading press and other equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage.
- Do not use the product if it is damaged or malfunctioning.
- Store the product in a dry and safe place when not in use.
- Be aware of your surroundings and ensure that your workspace is clear of hazards.

Specific Safety Precautions for Use

- Ensure that the mounting surface is stable and secure before installing the Quick Change Ultramount.
- Use appropriate tools and follow the installation instructions carefully to avoid injury.
- Do not exceed the weight limit specified for the Quick Change Ultramount.
- Use caution when handling tools and equipment during installation and use.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when working with reloading equipment.
- Keep hands and loose clothing away from moving parts during operation.
- If you experience any issues while using the product, cease use immediately and consult the troubleshooting section of your manual.

Instructions for Installation and Usage

Installation

1. Select a Suitable Location

- Choose a stable and secure surface for mounting the Quick Change Ultramount.
- Ensure that the area is welllit and free from clutter.

2. Gather Tools and Materials

- You will need the following tools:
 - Drill
 - Screwdriver
 - Level
 - Measuring tape

3. Mounting the Ultramount

- Use the measuring tape to determine the desired height and position for the Ultramount.
- Mark the drilling points on the surface using a pencil.

- Drill holes at the marked points.
- Align the Ultramount with the drilled holes and secure it using the provided screws and bolts.
- Use a level to ensure that the Ultramount is mounted straight.

4. Attach the Top Plate

- Once the Ultramount is securely installed, attach the Quick Change Top Plate using the provided hardware.
- Ensure that the Top Plate is securely fastened and check for stability.

Usage

1. Mounting Your Press

- Align your reloading press with the Quick Change Top Plate.
- Secure the press in place according to the manufacturer's instructions.
- Ensure that the press is stable before use.

2. Changing Equipment

- To change out your press or equipment, follow the removal instructions carefully.
- Ensure that the area is clear and that you have a safe place to store the equipment being removed.

3. PostUse Care

- After using the equipment, ensure that it is cleaned and stored properly.
- Check the Ultramount and Top Plate for any signs of wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer usable, consider recycling components where applicable.
- Follow local waste disposal guidelines for any hazardous materials.

Contact Information for Further Support

For any inquiries or support related to the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please refer to the manufacturer's contact information included in the product packaging or visit the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and efficient experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety and enjoy your reloading activities!
