

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT KIT FOR FORSTER CASE TRIMMER

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for purchasing the Quick Change Ultra Mount Top Plate & Bolt Kits. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the Quick Change Ultra Mount system.
- Ensure that the workspace is clean, organized, and free from any hazards before starting your reloading process.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before each use. If you find any damage, do not use the product and contact the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Quick Change Ultra Mount is securely attached to a stable and sturdy workbench.
- Do not exceed the weight limit specified by the manufacturer for the mounted equipment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Be cautious of sharp edges and moving parts when installing or adjusting the equipment.
- Avoid wearing loose clothing or jewelry that could get caught in the equipment.
- Do not use the Quick Change Ultra Mount for purposes other than those specified by the manufacturer.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace:

- Clear the area where you will be installing the Quick Change Ultra Mount.
- Ensure that the workbench is stable and level.

2. Mounting the Ultra Mount:

- Use the provided mounting hardware to securely attach the Ultra Mount to your workbench.
- Follow the manufacturer's guidelines for the correct placement and orientation.

3. Attaching the Top Plate:

- Align the Top Plate with the Ultra Mount.
- Use the included bolts to secure the Top Plate to the Ultra Mount.
- Ensure that all bolts are tightened properly to prevent any movement during use.

4. Final Check:

- Doublecheck all connections and ensure that everything is secure before proceeding.

Usage

1. Loading Equipment:

- Carefully attach your reloading press or other equipment to the Top Plate.
- Ensure that all equipment is properly secured before use.

2. Changing Equipment:

- To change equipment, follow the removal instructions in reverse.
- Ensure that the area is clear and that you have a safe place to store the removed equipment.

3. PostUse Care:

- After use, clean the equipment and store it in a safe place.
- Regularly inspect the Ultra Mount and Top Plate for wear and tear.

Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the product is damaged beyond repair, follow your local guidelines for disposing of electronic equipment and metal components.

Contact Information for Further Support

For any safety inquiries or support regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's website or customer service resources for assistance.

By following these guidelines and instructions, you can ensure a safe and effective reloading experience with your Quick Change Ultra Mount system. Thank you for prioritizing safety.
