

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/BOLT KIT FOR FORSTER CASE TRIMMER

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that all safety precautions are followed when using the product.
- This product is intended for adult users. Keep it out of reach of children and vulnerable individuals.
- Always inspect the product before use to ensure it is in good condition.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the Quick Change Ultramount, ensure that it is securely mounted before attaching any equipment.
- Avoid overloading the mount with excessive weight, as this may compromise stability.
- Always use the provided mounting hardware to ensure a secure fit.
- Do not modify the product or use it with noncompatible accessories.
- If using in a workshop or garage, ensure the area is welllit and free from clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using reloading tools.

Instructions for Installation and Usage

1. Installation of the Quick Change Ultramount:

- Select a sturdy, flat surface for installation.
- Use the provided mounting hardware to secure the Ultramount to the workbench.
- Ensure that all bolts are tightened securely.

2. Attaching the Top Plate:

- Align the Top Plate with the Ultramount.
- Use the included bolts to fasten the Top Plate to the Ultramount.
- Doublecheck to ensure all connections are secure.

3. Using the Quick Change System:

- To change equipment, simply release the locking mechanism on the Ultramount.
- Carefully lift the equipment off the mount.
- Store the equipment in a safe location when not in use.
- To attach a different piece of equipment, align it with the Ultramount and secure it in place.

4. Maintenance:

- Regularly check all connections and mounts for wear and tear.
- Clean the mount and Top Plate with a dry cloth to remove dust and debris.

- Do not use harsh chemicals or abrasive materials for cleaning.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer functional, ensure it is disposed of safely to prevent harm to the environment.
- Recycle materials where possible, following your local recycling guidelines.

Contact Information for Further Support

For any further assistance or inquiries regarding the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please refer to the manufacturer's contact details provided separately.

By following these safety instructions, you can enjoy a safe and efficient reloading experience with your new product. Thank you for your attention to safety!
