

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMNT TOP PLATE/BOLT KIT FOR FRANKFORD ARSENAL M PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instruction Guide

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the product is suitable for your reloading press and compatible with your equipment.
- Always read the manufacturer's instructions and safety warnings before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the product only for its intended purpose as described in the product manual.
- Ensure that the workspace is clean, organized, and free from hazards before use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Make sure all tools and equipment are securely fastened and stable before use.
- Do not overload the product beyond its specified capacity.
- Never attempt to modify or alter the product in any way.

Instructions for Installation and Usage

1. Installation

- Ensure you have all parts included in the kit: Quick Change Top Plate, mounting hardware, and any additional components.
- Select a suitable location on your bench or wall for mounting the Ultramount.
- Use appropriate tools to securely fasten the Quick Change Ultramount to the selected surface.
- Attach the Quick Change Top Plate to your reloading press using the provided mounting hardware.

2. Usage

- To mount your press, align it with the Ultramount and secure it in place according to the manufacturer's instructions.
- When changing presses or tools, ensure the previous item is completely removed and stored safely before attaching a new one.
- Store any unused equipment in a designated area, preferably using Inline's QC storage docks if available.
- Always check that the press is securely mounted before beginning any reloading operations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, dispose of it responsibly, ensuring that it does not pose a risk to the environment or public safety.

- Check for any specific disposal instructions from the manufacturer.

Contact Information for Further Support
