

# QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMNT TOP PLATE/BOLT KIT FOR FRANKFORD ARSENAL M PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separately). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

# Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

## Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading presses and tools. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the product is installed correctly and securely.
- Regularly inspect the product for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in the manual.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Mounting Safety:

- Ensure that the mounting surface is stable and can support the weight of the press and tools.
- Use the provided mounting hardware to secure the Top Plate properly.
- Do not exceed the weight limit specified for the Quick Change Ultramount.

### • Operational Safety:

- Always use the product in a wellventilated area.
- Keep hands and other body parts clear of moving parts during operation.
- Do not modify the product in any way.
- Ensure all tools and accessories are compatible with the Quick Change system.

### • Storage Safety:

- Store the product in a dry place to prevent rust and corrosion.
- When not in use, ensure that the press is removed and stored safely.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable location on your workbench for the Quick Change Ultramount.
- Ensure the area is clean and free from clutter.
- Using the provided mounting hardware, securely attach the Top Plate to the Ultramount.
- Doublecheck that all screws and bolts are tightened properly.

### 2. Usage:

- To mount your press, align it with the Quick Change Ultramount and secure it in place.
- To remove the press, follow the reverse procedure: loosen the mounting hardware and carefully

detach the press.

- Store the press and any additional tools in a safe location when not in use.

### **3. Maintenance:**

- Regularly clean the Top Plate and Ultramount to remove dirt and debris.
- Inspect all components for wear and replace any damaged parts immediately.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's website or customer service for assistance.
