

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT FOR FRNKFRD ARSNL SNGL STG PRES

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS QC ULTRAMOUNT TOP PLATE/BOLT FOR FRNKFRD ARSNL SNGL STG PRES Safety Instruction Guide

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits. This product is designed to enhance your reloading experience while ensuring safety and convenience. Please read this guide carefully to understand the safety measures, installation instructions, and proper usage of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions when installing and using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always mount the Quick Change Ultra Mount securely to a stable and flat surface.
- Ensure that the mounting hardware is properly tightened before use to avoid accidents.
- Do not overload the mount with excessive weight beyond its specified limits.
- Be cautious of sharp edges or components during installation and adjustment.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating reloading equipment.
- Do not attempt to modify the product in any way that is not recommended by the manufacturer.

Instructions for Installation and Usage

Installation

1. Prepare the Work Area

- Clear the workbench of any unnecessary items.
- Ensure good lighting and ventilation in the area.

2. Mounting the Quick Change Ultra Mount

- Position the Ultra Mount on the desired surface.
- Use the provided mounting hardware to secure the mount.
- Ensure that the mount is level and firmly attached.

3. Attaching the Top Plate

- Align the Top Plate with the Ultra Mount.
- Use the supplied bolts to secure the Top Plate to the mount.
- Tighten the bolts adequately but avoid overtightening.

Usage

1. Mounting the Press

- Position your reloading press onto the Top Plate.
- Ensure it is securely attached and stable before use.

2. Changing Equipment

- To swap out your press, simply loosen the bolts and remove the press.
- Store the press safely when not in use.

3. Case Prep Tools and Vises

- If using additional attachments (case prep tools, vises), follow the same mounting instructions.
- Ensure that all attachments are securely fastened.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use, check local guidelines for proper disposal of mechanical components and accessories.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
