

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMNT TOP PLATE/BOLT FOR HORNADY CAM LOCK CASE TRIMMER

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separately). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.

NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS for your reloading needs. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your equipment. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the product in a wellventilated area to avoid inhalation of dust or fumes.
- Ensure that the mounting surface is stable and capable of supporting the weight of the press and equipment.
- Do not exceed the weight limit specified for the Quick Change Ultramount.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation and use.
- Avoid placing your hands near moving parts while the equipment is in operation.
- Do not attempt to modify or alter the product in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary components, including the Quick Change Ultramount and Top Plates.
- Select a suitable location on your workbench for installation.
- Use a level to ensure the Ultramount is installed evenly.
- Securely fasten the Ultramount to your workbench using the appropriate hardware provided.
- Attach the Top Plate to your press or equipment using the included bolts.
- Confirm that all connections are tight and secure before use.

2. Usage

- To mount your press, align it with the Ultramount and slide it into place.
- Ensure that the press is locked securely in position before operating.
- To remove the press, follow the manufacturer's instructions for disengaging the mount.
- Store any unused equipment in a safe and organized manner, preferably using Inline's QC storage docks.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the product reaches the end of its life, dispose of it in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste; check for designated electronic waste disposal facilities.
