

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR HORNADY LNL AP PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

Introduction

Thank you for purchasing the Quick Change Ultra Mount Top Plate & Bolt Kits. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses and tools. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the workspace is clean, dry, and welllit before using the product.
- Always follow the manufacturer's instructions for all equipment used in conjunction with the Quick Change system.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the Quick Change Ultramount.
- Ensure that the Top Plate is securely fastened to the Ultramount before use.
- Avoid using the product in wet or humid conditions to prevent rust and damage.
- Do not modify the product in any way, as this may compromise safety.
- When changing presses or tools, ensure that the area is clear of obstructions and bystanders.

Instructions for Installation and Usage

1. Installation of the Quick Change Ultramount:

- Select a suitable location on your workbench that can support the weight of the Ultramount and any attached equipment.
- Use the provided mounting hardware to securely attach the Ultramount to the work surface.
- Ensure that the Ultramount is level and stable before proceeding.

2. Attaching the Quick Change Top Plate:

- Align the Top Plate with the mounting holes on the Ultramount.
- Use the provided bolts to secure the Top Plate to the Ultramount. Ensure that all bolts are tightened properly.
- Verify that the Top Plate is firmly attached and does not wobble.

3. Using the Quick Change System:

- To mount a press or tool, align it with the Top Plate and press down firmly until it clicks into place.
- To remove the press or tool, pull the release lever (if applicable) and lift the press straight up.
- Always store unused equipment securely to prevent accidents.

4. Maintenance:

- Regularly check all bolts and connections for tightness and wear.

- Clean the Ultramount and Top Plate to remove any debris or residue that may affect performance.
- Store the product in a dry environment to prevent corrosion.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer in use or is damaged beyond repair, please dispose of it responsibly. Check local guidelines for recycling or hazardous waste disposal.
