

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMNT TOP PLATE/BOLT FOR HORNADY SNGL STAGE IRON PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separately). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading equipment. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Ensure that you follow all instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided. Please stay informed about any potential recalls related to this product.
- **Online Shopping:** If purchased online, the same safety protections apply as those in physical stores. Ensure your seller meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the product, read and understand all instructions provided in this guide.
- **Check for Damage:** Inspect the product for any signs of damage before installation. Do not use if damaged.
- **Proper Mounting:** Ensure that the Top Plate is securely mounted to prevent accidents during use.
- **Weight Limits:** Do not exceed the recommended weight limits for the Ultramount system. Refer to the product specifications for details.
- **Use Appropriate Tools:** Always use the correct tools for installation and adjustments. Improper tools can lead to injury or damage.
- **Work in a Safe Environment:** Ensure your working area is clean, welllit, and free from hazards.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools and components before starting.
- Ensure the workbench is stable and capable of supporting the equipment.
- Follow these steps for installation:
 - Locate the mounting holes on the Ultramount.
 - Align the Top Plate with the mounting holes.
 - Use the provided bolts and hardware to securely attach the Top Plate.
 - Tighten all bolts to ensure stability without overtightening.

2. Usage:

- Before use, doublecheck that all components are securely fastened.
- To change presses or tools, release the locking mechanism and carefully remove the mounted equipment.

- Store unused equipment safely and securely to prevent accidents.
- If using additional accessories, ensure compatibility with the Quick Change system.

Disposal Instructions

- Follow local regulations for the disposal of product components.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling parts where possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of this product, please refer to the designated EU contact point for assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable reloading experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS.
