

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMNT TOP PLATE/BOLT FOR HORNADY SNGL STAGE IRON PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe product conditions to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mounting surface is stable and secure before installation.
- **Weight Limitations:** Do not exceed the recommended weight capacity of the Quick Change Ultra Mount.
- **Handling:** Use appropriate lifting techniques when handling heavy components to avoid injury.
- **Tools:** Use only the recommended tools for installation to prevent damage to the product or injury to yourself.
- **Environment:** Use the product in a wellventilated area and away from flammable materials.
- **Personal Protective Equipment:** Wear safety glasses and gloves when installing or using the product to protect against sharp edges and debris.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Read through the installation instructions completely before beginning.

2. Installation:

- Choose a stable and flat surface for mounting the Quick Change Ultra Mount.
- Use the provided mounting hardware to securely attach the Top Plate to the Ultramount.
- Ensure that all bolts are tightened to the manufacturer's specifications to prevent loosening during use.

3. Usage:

- To change presses or tools, follow the quick change procedure:
 - Loosen the locking mechanism.
 - Remove the current press/tool by lifting it off the mount.
 - Align the new press/tool with the mount and secure it in place.
 - Tighten the locking mechanism to ensure stability.
- Always doublecheck that the press/tool is securely mounted before use.

4. Maintenance:

- Regularly check all fasteners and connections for tightness.
- Clean the mounting area to prevent dust and debris buildup.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety in your reloading activities. Enjoy your reloading experience with Inline Fabrication products!
