

# QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC

## ULTRAMNT TOP PLATE/BOLT KIT FOR HORNADY SS CLASSIC PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

# QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instruction Guide

## Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and maintain the product safely.

## General Safety Guidelines

- Ensure that all safety precautions are followed during installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not use the product if it appears to be damaged or malfunctioning.
- Always follow the manufacturer's instructions for use and maintenance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product only for its intended purpose as outlined in this guide.
- Ensure that the workspace is clean, organized, and free from hazards.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Securely mount the Quick Change Ultramount to a stable surface before use.
- Avoid overloading the Ultramount with excessive weight.
- Do not attempt to modify or alter the product in any way.
- Be cautious when swapping out presses to avoid pinching fingers or causing injury.
- Store all components safely when not in use to prevent accidents.

## Instructions for Installation and Usage

### Installation

#### 1. Select a Suitable Location:

- Choose a stable and sturdy workbench or surface for installation.
- Ensure there is enough space for the press and any additional equipment.

#### 2. Mounting the Ultramount:

- Use the provided mounting hardware to securely attach the Ultramount to the work surface.
- Follow the manufacturer's instructions for proper mounting techniques.

#### 3. Attaching the Top Plate:

- Align the Top Plate with the Ultramount.
- Use the provided bolts to secure the Top Plate to the Ultramount.
- Ensure all bolts are tightened properly to prevent movement during use.

## Usage

### 1. Mounting the Press:

- Place the reloading press onto the Top Plate.
- Ensure it is securely positioned and stable before use.

### 2. Swapping Out Equipment:

- To remove the press, follow these steps:
  - Loosen the bolts securing the press to the Top Plate.
  - Carefully lift the press off the Top Plate.
- To install a different press, follow the mounting instructions again.

### 3. Maintaining the Equipment:

- Regularly check all components for wear or damage.
- Clean the Ultramount and Top Plate after each use to ensure longevity.

## Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product reaches the end of its life, check local guidelines for proper disposal of metal and plastic components.
- Do not dispose of the product in household waste; seek out recycling options if available.

## Contact Information for Further Support

For any questions or further support regarding the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please refer to the manufacturer's website or customer service resources. Ensure you have the product details readily available for assistance.

By following these safety guidelines and instructions, you can ensure a safe and efficient reloading experience with the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for prioritizing safety in your reloading practices.
