

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMNT TOP PLATE/BOLT FOR LEE 3 OR 4-HOLE TURRET PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instruction Guide

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits. This product is designed to enhance your reloading experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure the product is used only for its intended purpose as specified by the manufacturer.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before each use.
- Follow all local laws and regulations regarding reloading equipment and safety.

Specific Safety Precautions for Use

- Ensure the work area is clean and free of clutter to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves while handling reloading equipment.
- Do not exceed the recommended load limits specified by the manufacturer.
- Never use the product if it is damaged or malfunctioning.
- Be aware of sharp edges and moving parts during installation and use.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure the work surface is stable and level.
- Gather all necessary tools and components before starting the installation.
- Follow the manufacturer's instructions to securely mount the Quick Change Ultra Mount Top Plate to your reloading press.
- Use the provided hardware to ensure a tight and stable fit.
- Check that all connections are secure before use.

2. Usage:

- When using the Quick Change system, ensure that the press is properly mounted and locked in place.
- To change presses or equipment, follow the quick change procedure as outlined in the product manual.
- Always stow unused presses and equipment safely to avoid accidents.
- If transporting the press, ensure it is securely packed to prevent damage during transit.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management for guidance on proper disposal methods for reloading equipment.

Contact Information for Further Support
