

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRMNT TOP PLATE/BOLT FOR LEE AUTO BREECH LOCK PRO PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the Quick Change Ultra Mount Top Plate & Bolt Kits from Inline Fabrication. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before each use.
- Do not modify the product in any way that could compromise its safety.
- Follow all local regulations and guidelines related to reloading and firearms.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Ensure that the workspace is clean, organized, and free from distractions.
- Make sure the press is securely mounted before use to prevent accidents.
- Avoid overloading the press or using it beyond its intended capacity.
- Do not leave the press unattended while in use.
- Store all components, including the Quick Change Top Plates and mounting hardware, in a safe place when not in use.

Instructions for Installation and Usage

1. Installation:

- Select a suitable and stable surface for mounting the Quick Change Ultramount.
- Ensure that the surface is clean and free from debris.
- Use the provided mounting hardware to securely attach the Ultramount to the surface.
- Doublecheck that the mount is installed correctly and is stable before proceeding.

2. Using the Quick Change System:

- To mount a press, align the press with the Ultramount and slide it into place.
- Ensure that the press is locked securely in the Ultramount before use.
- To remove the press, simply release the locking mechanism and slide the press out.
- Store the removed press in a safe location, such as a designated storage dock.

3. Maintenance:

- Regularly check the Ultramount and Top Plates for wear and tear.
- Clean the components with a damp cloth to remove dust and debris.
- Replace any damaged parts immediately to maintain safe operation.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer in use, consider recycling it according to local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for choosing Inline Fabrication!
