

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRMNT TOP PLATE/BOLT FOR LEE BRCH LOCK CLSSC CAST PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience while ensuring safety and ease of use. Please read this safety instruction guide carefully to understand how to use and maintain the product safely and effectively.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep this product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the work area is clean and free from clutter before using the product.
- Do not exceed the weight limit specified in the product specifications.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Never modify the product or use it for unintended purposes.
- If any component appears damaged or defective, discontinue use immediately and contact support.

Instructions for Installation and Usage

1. Installation

- Ensure you have the necessary tools for installation (not included).
- Follow these steps to install the Quick Change Ultra Mount Top Plate:
 - Choose a suitable location on your workbench for the mount.
 - Use the provided mounting hardware to secure the top plate to the Ultramount.
 - Make sure all screws are tightened properly to ensure stability.
 - If using case prep tool Top Plates or vises, follow their specific installation instructions.

2. Usage

- To mount a press:
 - Align the press with the mounting plate.
 - Secure the press using the provided bolts and ensure it is tightly fastened.
- To remove the press:
 - Loosen the bolts and carefully lift the press away from the mount.
 - Store the press in a safe location when not in use.
- To swap out equipment:
 - Follow the removal instructions and repeat the mounting process for the new equipment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where applicable.

Contact Information for Further Support
