

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRMNT TOP PLATE/BOLT FOR LEE BRCH LOCK CLSSC CAST PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separately). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS from Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand the proper use, installation, and disposal of this product.

General Safety Guidelines

- Always read and follow the manufacturer's instructions and safety warnings.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the workspace is clean and free from clutter to avoid accidents.
- Use the product only on a stable and level surface.
- Always secure the press and accessories properly before use.
- Do not overload the mount beyond its specified limits.
- Avoid using the product in wet or damp conditions.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the equipment.
- Be cautious of sharp edges and moving parts during installation and use.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a wrench and screwdriver.
2. **Select a Suitable Location:** Choose a stable, flat surface for mounting the Ultramount.
3. **Mount the Quick Change Ultramount:**
 - Position the Ultramount on the selected surface.
 - Use the provided mounting hardware to secure the Ultramount firmly.
 - Ensure all bolts and screws are tightened securely to prevent movement.
4. **Attach the Quick Change Top Plate:**
 - Align the Top Plate with the Ultramount.
 - Use the included bolts to attach the Top Plate securely.
 - Doublecheck that all connections are tight.

Usage

1. **Mounting Your Press:**
 - Align your press with the Quick Change Top Plate.
 - Securely fasten the press to the Top Plate using the provided hardware.
 - Make sure the press is stable and does not wobble.
2. **Swapping Equipment:**
 - To remove the press, simply loosen the bolts and carefully lift it off.
 - Store the press in a safe location when not in use.

- To switch to another press, repeat the mounting procedure with the new equipment.

3. Storage:

- Use Inline's QC storage docks (sold separately) to store additional equipment off the work surface.
- Keep all components organized and easily accessible.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's website or contact their customer support for assistance.
