

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRMNT TOP PLATE/BOLT FOR LEE CLSSC CAST SGL STAGE PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.

NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for Quick Change Ultra Mount Top Plate & Bolt Kits

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits. This guide provides essential safety instructions and usage information to ensure a safe and effective reloading experience. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Always follow local laws and regulations regarding the use of reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Before installation, ensure that your workspace is clean and organized to prevent accidents.
- Use protective eyewear when operating any reloading equipment.
- Ensure that the Quick Change Ultra Mount is securely attached before using any mounted press or tool.
- Do not exceed the weight limit specified by the manufacturer for mounted equipment.
- Always follow the manufacturer's instructions for the specific reloading press you are using.
- Do not attempt to modify or alter the Quick Change Ultra Mount or any associated components.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools ready for installation, including a wrench and screwdriver.
2. **Select Mounting Location:** Choose a sturdy, flat surface for mounting the Quick Change Ultra Mount.
3. **Position the Mount:** Place the Ultramount in the desired location and mark the drilling points.
4. **Drill Holes:** Drill holes according to the marked points, ensuring they are appropriate for the provided mounting hardware.
5. **Attach the Mount:** Use the provided bolts and hardware to securely attach the Ultramount to the surface. Ensure it is tight and stable.
6. **Install Top Plate:** Attach the Quick Change Top Plate to your reloading press according to the manufacturer's instructions.

Usage

1. **Mounting Equipment:** To mount your reloading press, align it with the Ultramount and secure it in place.
2. **Swapping Equipment:** To swap out the press, simply release the locking mechanism, remove the press, and replace it with another as needed.
3. **Storage:** Use Inline's QC storage docks to store additional equipment safely when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- When disposing of the product, ensure that it is done in accordance with local waste disposal regulations.

- Do not throw the product in regular household waste. Check for any special disposal instructions related to reloading equipment.
