

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE & BOLT FOR LEE CLASSIC TURRET PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.
NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits for your reloading needs. This guide provides important safety instructions and general guidelines to ensure safe and effective use of the product. Please read through these instructions carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure that all components are intact and free from damage before use. Do not use the product if any parts are missing or damaged.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements and provides clear product information.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not a toy and should only be used by adults or under adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Read All Instructions:** Familiarize yourself with all instructions and safety guidelines before using the product.
- **Proper Use:** Use the Quick Change Ultra Mount only as intended. Do not modify the product or use it for purposes other than reloading.
- **Secure Installation:** Ensure that the mount is securely installed before use to prevent accidents or injuries.
- **Weight Limitations:** Be aware of the weight limitations of your reloading press and accessories. Overloading can lead to equipment failure.
- **Avoid Clutter:** Keep your workspace organized and free from clutter to minimize the risk of accidents.
- **Protective Gear:** Wear appropriate protective gear, such as safety glasses and gloves, when using reloading equipment.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a wrench and screwdriver.
2. **Select Mounting Location:** Choose a sturdy, level surface for installation. Ensure that the area is free from obstructions.
3. **Attach the Top Plate:**
 - Align the Quick Change Top Plate with the mounting holes on your Ultramount.
 - Use the provided bolts to secure the plate in place. Ensure it is tightly fastened.
4. **Mount the Press:**
 - Attach your reloading press to the Quick Change Top Plate following the manufacturer's instructions for the press.
 - Ensure all connections are secure before use.

Usage

- **Press Operation:** Follow the operating instructions specific to your reloading press. Ensure you understand how to operate the press safely.
- **Changing Equipment:** To swap out presses or accessories, loosen the bolts on the Top Plate, remove the current press, and replace it with the new one. Tighten the bolts securely before operating.
- **Storage:** When not in use, store the Quick Change Ultra Mount and any attached equipment in a safe and dry location.

Disposal Instructions

- **Environmental Responsibility:** Dispose of any packaging materials in accordance with local recycling regulations.
- **Product Disposal:** If the product is no longer usable, dispose of it in accordance with local waste management regulations. Do not dispose of in general waste if it contains hazardous materials.
