

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE & BOLT FOR LEE CLASSIC TURRET PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by INLINE FABRICATION. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the product if any components are damaged or missing.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the Quick Change system, ensure that all components are securely mounted before operation.
- Avoid overcrowding your workbench; maintain a clean and organized workspace to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Do not exceed the load capacity of the Quick Change Ultramount as specified in the product documentation.
- Ensure that the area where the product is used is wellventilated.
- Be cautious when swapping out presses; ensure that the press is fully disengaged before removal.

Instructions for Installation and Usage

1. Installation:

- Gather all components included in the Quick Change Top Plate & Bolt Kits.
- Ensure your Quick Change Ultramount is securely attached to a stable work surface.
- Align the Top Plate with the mounting holes on the Ultramount.
- Use the provided bolts and hardware to secure the Top Plate to the Ultramount. Ensure all bolts are tightened properly.
- If using additional accessories (e.g., case prep tool Top Plates), follow the specific instructions for those components.

2. Usage:

- To mount a press, align the press with the Top Plate and ensure it is seated properly.
- Secure the press using the locking mechanism provided with the Ultramount.
- To remove the press, disengage the locking mechanism and lift the press off the Top Plate.
- Store any unused presses and equipment in a safe location, preferably using Inline's QC storage docks.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling them according to local regulations.
- If the product reaches the end of its life cycle, dispose of it in accordance with local waste management regulations.
- Do not dispose of the product in household waste; check for designated disposal points for electronic or mechanical equipment.

Contact Information for Further Support

For any questions or concerns regarding the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please refer to the product documentation or visit the manufacturer's website for additional support.

Thank you for prioritizing safety and compliance while using your reloading equipment. Enjoy your enhanced reloading experience!
