

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/ BOLT KIT FOR LEE LOADMASTER PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.
NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instruction Guide

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses and tools. To ensure safe and effective use, please read this safety instruction guide thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if any parts are broken or missing.
- Always use the product in a wellventilated area.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the Quick Change Ultramount is securely attached before using any reloading press.
- Avoid overtightening bolts during installation as this may lead to damage.
- Do not exceed the weight limit specified by the manufacturer for the mounting system.
- Always use protective gear, such as safety glasses and gloves, to prevent injuries while reloading.
- Be aware of your surroundings and ensure that your workspace is clear of any obstructions.
- If you experience any unusual behavior or instability with the mounted press, discontinue use immediately and inspect the setup.

Instructions for Installation and Usage

1. Installation:

- Locate a sturdy and stable surface for mounting the Quick Change Ultramount.
- Use the provided mounting hardware to securely attach the Ultramount to your workbench or wall.
- Ensure that the Ultramount is level and firmly anchored to prevent any movement during use.
- Attach the Quick Change Top Plate to your reloading press using the included bolts, ensuring a tight fit.

2. Usage:

- To switch between different presses or tools, simply release the locking mechanism on the Ultramount.
- Carefully lift the press from the Ultramount and replace it with another press or tool as needed.
- Ensure that the new press is securely attached before use.
- Always store unused equipment safely and out of the way, using Inline's QC storage docks if available.

3. Maintenance:

- Regularly check all bolts and connections for tightness.
- Clean the Ultramount and Top Plates with a dry cloth to remove dust and debris.

- Do not use abrasive cleaners or solvents that may damage the product.

Disposal Instructions

- Dispose of packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, check with local waste management facilities for proper disposal methods.
- Do not dispose of the product in general waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you ensure a safer and more enjoyable reloading experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety!
