

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/ BOLT KIT FOR LEE LOADMASTER PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the Quick Change Ultra Mount is securely attached to your workbench before use.
- Do not exceed the weight limit specified in the product specifications.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating reloading equipment.
- Avoid using the product in damp or wet conditions to prevent slips and electrical hazards.
- Do not modify the product or use it outside of its intended function.
- If you notice any unusual behavior or performance issues while using the product, stop using it immediately and consult the manufacturer.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your workbench is clean and free of any obstructions.
2. **Positioning:** Place the Quick Change Ultra Mount in the desired location on your workbench.
3. **Securing:** Use the included mounting hardware to securely attach the mount to the workbench. Ensure all screws and bolts are tightened properly.
4. **Top Plate Attachment:** Attach the Quick Change Top Plate to the Ultramount, ensuring it is locked in place.

Usage

1. **Mounting the Press:** Align your reloading press with the Quick Change Top Plate and secure it as per the manufacturer's guidelines.
2. **Changing Equipment:** To swap out presses or tools, follow the removal instructions carefully:
 - Loosen the locking mechanism.
 - Carefully lift the press from the mount.
 - Store the removed press safely and securely.
 - Attach the new press or tool following the installation steps.
3. **Storage:** When not in use, consider storing your equipment in Inline's QC storage docks to keep your workspace organized.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and reloading equipment.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's contact information provided with your product. Ensure you have your purchase details ready for any inquiries.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Quick Change Ultra Mount Top Plate & Bolt Kits. Thank you for prioritizing safety while enhancing your reloading capabilities.
