

## QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR LEE PRO1000 PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

# Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

## Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits for your Lee Pro1000 press. Inline Fabrication is committed to providing highquality accessories that enhance your reloading experience. This guide outlines important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the Quick Change system.

## General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before each use. Do not use if damaged.
- Use the product only for its intended purpose as described in this manual.
- Always wear appropriate safety gear while reloading, including eye protection and gloves.
- Be aware of your surroundings and work in a welllit area to avoid accidents.
- Regularly check for updates regarding product recalls or safety notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When mounting or removing the press, ensure that the area is clear of obstructions and that you have a firm grip on the equipment.
- Do not attempt to modify or alter the Quick Change system in any way. Unauthorized modifications can lead to injury or malfunction.
- Ensure that all components are securely fastened before using the press to avoid accidents.
- Be cautious of sharp edges or moving parts during installation and usage.
- If you experience any issues during installation or operation, cease use immediately and consult the support resources available.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare the Workspace:

- Clear the workbench of any unnecessary items to create a safe and organized environment.
- Ensure that the work surface is stable and can support the weight of the press and accessories.

#### 2. Mounting the Quick Change Ultramount:

- Follow the manufacturer's instructions for mounting the Ultramount securely to your workbench.
- Use the provided mounting hardware and ensure all screws and bolts are tightened properly.

#### 3. Attaching the Top Plate:

- Align the Quick Change Top Plate with the Ultramount.
- Use the included hardware to securely attach the Top Plate to the Ultramount.
- Doublecheck that all connections are tight and stable before proceeding.

## Usage

### 1. Setting Up Your Press:

- Carefully place your Lee Pro1000 press onto the mounted Top Plate.
- Ensure that the press is securely attached and stable before use.

### 2. Changing Presses or Accessories:

- To change presses or accessories, simply follow the Quick Change system instructions.
- Remove the current press by loosening the mounting hardware, stow it safely, and attach the new press or accessory.

### 3. After Use:

- When finished, ensure that the press is stored properly and that the workspace is clean.
- Disconnect any power sources if applicable and ensure all tools and equipment are stored safely.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life, please recycle or dispose of it responsibly.
- Do not dispose of the product in household waste. Check local regulations for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's website or customer support resources. It is essential to have access to assistance for any safety concerns or product-related questions.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the Quick Change Ultra Mount Top Plate & Bolt Kits!
