

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR LEE PRO1000 PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separately). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading presses. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Always use the product in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that the mounting surface is stable and secure before installation.
 - Use only the mounting hardware provided with the Quick Change Top Plates to ensure proper fit and safety.
- **Operational Safety:**
 - Do not overload the mount with equipment beyond its specified capacity.
 - Always ensure that the press is securely attached to the mount before operation.
 - Avoid placing hands or other body parts near moving parts during operation.
- **Storage Safety:**
 - When not in use, store the Quick Change Top Plates and associated equipment in a dry, secure place to prevent damage.
 - Keep the product and any accessories away from children and pets.
- **Transportation Safety:**
 - When transporting the press or mount, ensure that all components are securely fastened to prevent movement and damage.

Instructions for Installation and Usage

Installation

1. Prepare the Mounting Surface:

- Ensure the surface is clean, dry, and level.
- Select a location that provides adequate space for safe operation.

2. Attach the Quick Change Top Plate:

- Align the Quick Change Top Plate with the mounting holes on the Ultra Mount.
- Use the included bolts to secure the Top Plate to the Ultra Mount.
- Tighten the bolts to ensure a secure fit, but avoid overtightening which may strip the threads.

3. Mount Your Press:

- Follow the specific instructions for your reloading press to attach it to the Quick Change Top Plate.
- Ensure that all connections are secure before proceeding.

Usage

- Before operating the press, doublecheck that all components are securely attached.
- Follow the operational guidelines provided with your reloading press for safe use.
- After use, detach the press if necessary and store it in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that all components are cleaned and free from any hazardous materials before disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer directly. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you will help ensure a safe and enjoyable reloading experience with your Quick Change Ultra Mount Top Plate & Bolt Kits. Thank you for your attention to safety.
