

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT KIT FOR LEE RELOADR & APP PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.

NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience by providing a convenient and efficient way to manage your reloading equipment. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the workspace is clean and organized to minimize the risk of accidents.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the mounting surface is stable and can support the weight of the press and accessories.
- Do not exceed the weight limit specified by the manufacturer for the Quick Change Ultramount.
- Always secure the press and accessories properly before use to prevent accidental dislodging.
- When swapping equipment, ensure that the workspace is clear of any obstructions.
- Use personal protective equipment (PPE) such as safety glasses when operating reloading equipment.
- Follow all manufacturer instructions for individual components used with the Quick Change system.

Instructions for Installation and Usage

Installation

1. **Select a Suitable Location:** Choose a stable and sturdy workbench or surface for installation.
2. **Gather Tools:** Ensure you have the necessary tools for installation, including a wrench and screwdriver.
3. **Mounting the Ultramount:**
 - Position the Quick Change Ultramount at your desired location.
 - Use the provided mounting hardware to secure the Ultramount to the work surface.
 - Ensure that the Ultramount is level and securely fastened.
4. **Attaching the Top Plate:**
 - Align the Top Plate with the Ultramount.
 - Secure the Top Plate using the provided bolts, ensuring a tight fit.

Usage

1. **Installing the Press:**
 - Align the press with the Top Plate.
 - Secure the press in place using the quick change mechanism.
2. **Swapping Equipment:**
 - To remove the press, release the quick change mechanism.
 - Stow the press in a safe location.
 - Attach a different press or accessory by repeating the installation steps.
3. **Storing Equipment:**
 - Use Inline's QC storage docks to store any unused equipment safely and securely.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- Ensure that any hazardous materials are disposed of correctly.
