

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/BOLT KIT FOR LEE RELOADR & APP PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 pressS w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading presses and tools. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Mounting Stability:** Ensure that the Quick Change Ultra Mount is securely mounted to a stable surface before use. A loose or unstable mount may lead to accidents or equipment damage.
- **Weight Limits:** Do not exceed the weight limits specified in the product specifications. Overloading may cause structural failure.
- **Tool Compatibility:** Use only compatible tools and presses with the Quick Change Ultra Mount system. Refer to the product specifications for a list of compatible equipment.
- **Installation Safety:** When installing the product, use appropriate tools and follow the installation instructions carefully to avoid injury.
- **Personal Protective Equipment (PPE):** Always wear suitable PPE, such as safety glasses and gloves, when using reloading equipment to protect against potential hazards.

Instructions for Installation and Usage

Installation

1. **Select a Suitable Location:** Choose a sturdy workbench or surface that can support the weight of the press and any additional equipment.
2. **Gather Required Tools:** You will need a wrench and any other tools specified in the installation instructions.
3. **Mounting the Ultra Mount:**
 - Align the Ultra Mount with the mounting holes on your work surface.
 - Secure the mount using the provided bolts and hardware.
 - Ensure that the mount is level and firmly attached to the surface.
4. **Attaching the Top Plate:**
 - Select the appropriate Top Plate for your press or tool.
 - Align the Top Plate with the Ultramount and secure it using the provided hardware.
 - Confirm that the Top Plate is securely fastened before proceeding.

Usage

1. **Mounting Your Press:**
 - Align your reloading press with the mounted Top Plate.
 - Secure the press to the Top Plate using the provided bolts.

- Ensure that the press is stable and securely attached before use.
- 2. **Changing Equipment:**
 - To swap out equipment, simply unbolt the press from the Top Plate.
 - Store the removed press in a safe location and attach a different press or tool as needed.
 - Repeat the mounting process for the new equipment.
- 3. **Storage:**
 - When not in use, consider storing your equipment in a designated area to prevent clutter and maintain a safe workspace.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product is no longer usable, follow local regulations for the disposal of electronic and mechanical equipment.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's contact details provided with the product packaging or on the official website.

By following these guidelines, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety, and happy reloading!
