

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/BOLT FOR LEE SIX PACK PRO 6000 PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/BOLT FOR LEE SIX PACK PRO 6000 PRESS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience while ensuring safety and efficiency. This guide provides essential safety instructions and information to help you use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls or safety notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always work in a welllit and organized area to avoid accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Do not exceed the recommended weight limits for mounted tools and equipment.
- Avoid using the product if you notice any damage or malfunction.
- Ensure that the Quick Change system is properly secured before use to prevent accidental dismounting.

Instructions for Installation and Usage

1. Installation of the Quick Change Ultramount:

- Select a suitable location on your workbench for mounting the Quick Change Ultramount.
- Use a level to ensure the Ultramount is installed straight.
- Secure the Ultramount to the workbench using the provided mounting hardware.
- Doublecheck that all screws and bolts are tightened properly.

2. Mounting the Press:

- Align the press with the Quick Change Top Plate.
- Ensure that the press is securely fastened to the Top Plate using the provided bolts.
- Confirm that the press is stable and does not wobble before use.

3. Using the Quick Change System:

- To remove the press, simply release the locking mechanism on the Ultramount.
- Carefully lift the press off the Top Plate and store it in a safe location.
- To mount a different press or tool, repeat the mounting process as described above.

4. Maintenance:

- Regularly clean the Ultramount and Top Plate to prevent debris buildup.
- Inspect all components for wear and replace any damaged parts immediately.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- When disposing of the product, ensure that it is done in an environmentally responsible manner.
- Check with local waste management authorities for proper disposal methods for any electronic components or materials.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure a safe and efficient reloading experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for prioritizing safety in your reloading activities.
