

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION TOP PLATE /BOLT FOR LYMAN BRASS SMITH VICTORY SNGL STG PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses and tools. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that your workspace is clean and free of clutter to prevent accidents.
- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Mounting Safety:**
 - Ensure the mount is securely attached to a stable surface before use.
 - Do not exceed the weight limit specified by the manufacturer for the mount.
- **Tool Handling:**
 - Use tools only for their intended purpose.
 - Wear appropriate personal protective equipment (PPE) such as safety glasses when using tools.
- **Press Operation:**
 - Follow the safety instructions provided with your reloading press.
 - Ensure that all safety features of the press are in working order before use.
- **Storage:**
 - Store unused equipment in a safe and dry location.
 - Keep the area around the mount clear to avoid tripping hazards.

Instructions for Installation and Usage

1. Installation:

- Select a stable work surface for mounting the Quick Change Ultra Mount.
- Use the provided mounting hardware to attach the mount securely to the surface.
- Ensure that the mount is level and firmly fixed before proceeding.

2. Using the Quick Change System:

- To attach a press or tool, align it with the mount and secure it according to the manufacturer's instructions.
- To remove a press or tool, follow the release procedure outlined in the product manual.
- When changing tools, ensure that the workspace is clear and free from obstructions.

3. Maintenance:

- Regularly check the mount and hardware for signs of wear or damage.
- Tighten any loose screws or bolts before each use.

- Clean the mount and surrounding area to maintain a safe working environment.

Disposal Instructions

- Dispose of the product and its components in accordance with local regulations.
- Do not dispose of electrical components in regular waste. Follow your local electronic waste disposal guidelines.
- If the product is damaged beyond repair, take it to a designated recycling facility.

Contact Information for Further Support

For any questions or concerns regarding the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please refer to the manufacturer's website or contact your local retailer for assistance.
