

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT FOR RCBS AUTO PRIMER TOOL #9460

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS QC ULTRAMOUNT TOP PLATE/BOLT FOR RCBS AUTO PRIMER TOOL #9460

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS QC ULTRAMOUNT. This product is designed to enhance your reloading experience by providing a versatile and efficient mounting solution for your reloading equipment. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that all equipment is used according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always use the QUICK CHANGE ULTRA MOUNT in a wellventilated area.
- Avoid using the product with any accessories not recommended by the manufacturer.
- Ensure that the mounting surface is stable and can support the weight of the equipment.
- Do not overload the mount with equipment beyond its specified capacity.
- Handle all tools and equipment with care to prevent injury.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when using the product.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location on your workbench for mounting the QUICK CHANGE ULTRA MOUNT.
- Ensure the surface is clean and free of debris.
- Using the provided mounting hardware, securely attach the mount to the workbench.
- Verify that all screws and bolts are tightened properly to prevent movement during use.

2. Usage:

- To mount your reloading press, align the press with the quick change mount.
- Secure the press using the provided bolts, ensuring it is firmly attached.
- When changing presses or tools, follow these steps:
 - Loosen the bolts securing the current press.
 - Carefully remove the press from the mount.
 - Align the new press with the mount and secure it using the bolts.
- Always doublecheck that the press is securely mounted before starting any reloading operations.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for prioritizing safety in your reloading activities.
