

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/BOLT FOR RCBS AUTO PRIMER TOOL #9460

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS from INLINE FABRICATION. This product is designed to enhance your reloading experience safely and efficiently. Please read this safety instruction guide carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for purposes other than those intended.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using reloading equipment.
- Ensure that your workspace is clean, organized, and free from clutter to avoid accidents.
- Use the product only on a stable and secure surface to prevent tipping or falling.
- Follow all local laws and regulations regarding reloading and the use of reloading equipment.
- Do not exceed the manufacturer's recommended load limits when using the product.
- Be cautious of sharp edges and moving parts during installation and use.
- Avoid working in poorly lit areas to ensure visibility while using the product.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools and components before starting the installation.
- Ensure that your Quick Change Ultramount is securely attached to your workbench.
- Align the Quick Change Top Plate with the mounting holes on the Ultramount.
- Use the provided bolts and hardware to securely attach the Top Plate.
- Doublecheck that all bolts are tightened to prevent any movement during use.

2. Usage:

- Before starting, confirm that the press is properly mounted and stable.
- If changing presses, ensure the current press is removed safely before installing another.
- To remove the press, simply follow the quick change procedure as outlined in the product manual.
- Store any unused presses and accessories in a safe location, preferably in the Inline QC storage docks.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- For any defective or damaged parts, follow local regulations for electronic waste disposal.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries or concerns regarding the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please reach out to the manufacturer or refer to the product documentation for additional support resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for prioritizing safety in your reloading activities!
