

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QUICK CHANGE ULTRAMOUNT TOP PLATE/BOLT KIT FOR RCBS PARTNER

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of this product by following all instructions. This product is not a toy and should not be used by children.
- **Enhanced Recalls:** Be aware of any recall notices regarding this product. If you receive a recall notice, follow the provided instructions for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used around children or vulnerable individuals. Keep the product out of reach when not in use.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer or retailer from whom you purchased the product.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the mounting surface is stable and capable of supporting the weight of the press and any accessories.
 - Do not attempt to install the product in a location that is wet or damp.
- **Usage Precautions:**
 - Always ensure that the Quick Change Ultramount is securely fastened before use.
 - Do not overload the mount with equipment beyond its specified capacity.
 - Regularly inspect the mount and accessories for signs of wear or damage before each use.
 - If using multiple presses, ensure that each press is properly stored and secured when not in use.
- **Storage Precautions:**
 - Store the product in a dry place away from direct sunlight and extreme temperatures.
 - Use Inline's QC storage docks to keep equipment organized and out of the way.
- **Emergency Precautions:**
 - In case of an accident or malfunction, stop using the product immediately and consult the manufacturer for guidance.

Instructions for Installation and Usage

1. Installation:

- Select a sturdy workbench or table for installation.
- Position the Quick Change Ultramount in the desired location.
- Using the included mounting hardware, securely attach the Ultramount to the work surface.
- Ensure that all screws and bolts are tightened properly to avoid any movement during use.

2. Usage:

- To mount a press, align the press with the Ultramount and secure it using the provided Top Plates and bolts.
- To change presses, simply loosen the bolts, remove the press, and mount a different one as needed.
- Always check that the press is securely mounted before beginning any reloading operations.

3. Case Prep Tool and Vise Usage:

- For case prep tools and vises, follow the same installation and usage guidelines as for the presses.
- Ensure that any additional tools are compatible with the Ultramount before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal products.
- Do not dispose of the product in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any inquiries regarding the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please consult the retailer or manufacturer from whom you purchased the product. They will be able to provide assistance and answer any questions you may have regarding safety, installation, or usage.

Thank you for your attention to these safety instructions. We hope you enjoy using your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS safely and effectively.
