

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT FOR RCBS PRO CHUCKER 5/7 PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Keep this guide accessible for future reference.
- Always inspect the product for any damage or wear before use. Do not use if damaged.
- Use the product only for its intended purpose as described in the manual.
- Store all components in a safe and secure location, away from children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the Quick Change Ultramount.
- Ensure that the mounting surface is stable and secure before installation.
- Avoid placing any tools or equipment on the Ultramount that could cause instability.
- Always use the provided mounting hardware to secure the Top Plate to the Ultramount.
- When swapping out presses, ensure that the press is completely removed and stowed safely before installing another.
- Be cautious when handling tools and equipment to prevent personal injury.
- If using in a shared space, ensure that others are aware of your activities to avoid accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all components, including the Quick Change Ultramount and Top Plate.
- Gather necessary tools such as a wrench or screwdriver.

2. Installation:

- Select a suitable location on your workbench for the Ultramount.
- Secure the Ultramount to the work surface using the provided mounting hardware.
- Follow the specific instructions for attaching the Top Plate to the Ultramount:
 - Align the Top Plate with the mounting holes on the Ultramount.
 - Use the provided bolts to secure the Top Plate tightly.
 - Ensure that all bolts are tightened to prevent movement during use.

3. Usage:

- To change the press, follow these steps:
 - Ensure the press is not in use and has cooled down if applicable.
 - Loosen the bolts securing the press to the Top Plate.
 - Carefully remove the press and stow it safely.
 - Attach a different press by aligning it with the Top Plate and securing it with the bolts.
 - Doublecheck that all connections are tight before using the press.

Disposal Instructions

- Dispose of the product and packaging materials in accordance with local regulations.
- Do not dispose of electronic components in regular waste.
- Consider recycling options for materials where applicable.

Contact Information for Further Support
