

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - TOP PLATE/BOLT KIT FOR RCBS ROCKCHUCK RC1/RC2/SUPREM/PRO2000

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits for your reloading needs. This guide is designed to provide important safety information, installation instructions, and general guidelines for the safe use of this product. Please read this manual carefully before using the product to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that your work area is clean, organized, and free from hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the Quick Change Ultra Mount is securely mounted before attaching or detaching any presses or tools.
- Avoid overloading the mount with excessive weight beyond the manufacturer's specifications.
- Use only compatible presses and tools as specified by Inline Fabrication.
- Do not attempt to modify or alter the Quick Change Ultra Mount or its components.
- Always follow safe reloading practices to prevent accidents and injuries.

Instructions for Installation and Usage

Installation

1. **Select a Suitable Location:** Choose a sturdy workbench or table that can support the weight of your reloading equipment.
2. **Mounting the Ultra Mount:**
 - Use the included mounting hardware to securely attach the Quick Change Ultra Mount to your work surface.
 - Ensure that all screws and bolts are tightened properly to prevent movement.
3. **Attaching the Top Plate:**
 - Align the Top Plate with the mounting holes on the Ultra Mount.
 - Use the provided bolts to secure the Top Plate in place.
 - Doublecheck that the Top Plate is firmly attached and stable.

Usage

1. **Attaching a Press:**
 - Align your reloading press with the Top Plate.
 - Secure the press using the Quick Change system as per the manufacturer's guidelines.
2. **Changing Equipment:**
 - To swap out the press, simply release the locking mechanism and lift the press off the Top Plate.
 - Store the removed press safely and repeat the attachment process with a different press or tool.
3. **Storage:**
 - When not in use, consider using Inline's QC storage docks to keep your equipment organized and

out of the way.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- For the product itself, check with local authorities for proper disposal methods for metal and plastic components.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure you have your product details and any relevant information ready for a prompt response.

Thank you for following these safety instructions. Enjoy your reloading experience with the Quick Change Ultra Mount Top Plate & Bolt Kits!
