

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION TOP PLATE/BOLT KIT FOR RCBS ROCKCHUCK RC1/RC2/SUPREM/PRO2000

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with all safety instructions prior to using the product.
- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use the product only for its intended purpose as described in the product specifications.
- When mounting or dismounting equipment, ensure that all components are secure to prevent accidents.
- Avoid using the product in wet or damp conditions to reduce the risk of electrical hazards.
- Do not overload the mount beyond its specified weight capacity.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling tools and equipment.

Instructions for Installation and Usage

Installation

1. Gather all necessary tools and components, including the Quick Change Ultramount and Top Plate/Bolt Kit.
2. Ensure that your work area is clean and free of any obstructions.
3. Locate a stable surface for mounting the Ultramount that can support the weight of your press and any additional equipment.
4. Follow these steps to install the Ultramount:
 - Mark the desired mounting location on your workbench.
 - Using a drill, create holes suitable for the mounting hardware provided.
 - Securely attach the Ultramount to the workbench using the provided bolts and washers.
 - Ensure that the Ultramount is level and firmly attached.

Usage

1. To mount your press:
 - Align the press with the Ultramount.
 - Insert the mounting hardware through the designated holes in the press and tighten securely.
2. To swap out presses or tools:
 - Loosen the mounting hardware and carefully remove the press from the Ultramount.
 - Store the removed press safely and repeat the mounting process for the new press.
3. When using additional Top Plates for case prep tools or vises, follow the same mounting instructions.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product reaches the end of its life or is damaged beyond repair, dispose of it in a manner that complies with local waste disposal regulations.
- Do not dispose of the product in household waste; instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For assistance or inquiries regarding safety concerns or product issues, please contact the manufacturer directly. Ensure to have your product details ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and efficient reloading experience with the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety.
