

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR REAL AVID MASTER VISE

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.

NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR REAL AVID MASTER VISE Safety Instruction Guide

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits. This product is designed to enhance your reloading experience by providing a flexible and efficient way to manage your reloading equipment. To ensure your safety and the optimal performance of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the Quick Change Ultra Mount Top Plate & Bolt Kits by following all instructions.
- Be aware of potential hazards associated with improper use, including equipment damage or personal injury.
- Always use the product in accordance with the manufacturer's guidelines to minimize risks.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on product recalls or safety notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Safety:

- Ensure that the mounting surface is stable and capable of supporting the weight of the equipment.
- Use the appropriate tools for installation as specified in the installation instructions.

• Operational Safety:

- Always check that the equipment is securely mounted before use.
- Do not exceed the weight limit specified by the manufacturer for the mounting system.
- Avoid overloading the Quick Change system with too many accessories at once.

• Maintenance Safety:

- Regularly inspect the Quick Change Ultra Mount for wear and tear.
- Replace any damaged components immediately to prevent accidents.

• Storage Safety:

- When not in use, store the equipment in a dry and secure location.
- Ensure that all parts are stowed safely to avoid tripping hazards.

Instructions for Installation and Usage

Installation Instructions

1. Gather Required Tools:

- Screwdriver

- Wrench
- Level

2. Prepare the Mounting Surface:

- Select a clean, flat, and sturdy surface for installation.
- Use a level to ensure the surface is even.

3. Attach the Quick Change Ultra Mount:

- Position the mount on the desired surface.
- Using the provided bolts and hardware, secure the mount firmly.
- Doublecheck that all bolts are tightened properly.

4. Install the Top Plate:

- Align the top plate with the mounted Ultramount.
- Secure the top plate using the included hardware.

Usage Instructions

1. Mounting Equipment:

- To mount a press or tool, align it with the Quick Change system.
- Secure the equipment in place according to the manufacturer's instructions.

2. Changing Equipment:

- To swap out equipment, release the securing mechanism as instructed.
- Carefully remove the equipment and replace it with the desired tool.
- Ensure that the new equipment is securely fastened before use.

Disposal Instructions

- Dispose of the product and packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check for local recycling programs that accept metal and plastic components.
