

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR REAL AVID MASTER VISE

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instructions

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any damage before installation and use.
- Use the product only for its intended purpose as described in this guide.
- If you encounter any issues or have questions regarding safety, contact the manufacturer for support.

Specific Safety Precautions for Use

- **Risk of Injury:** Improper use of the Quick Change system may lead to accidents or injuries. Always follow installation instructions carefully.
- **Heavy Equipment:** The Quick Change Top Plates and Ultramounts can be heavy. Use caution when lifting and installing.
- **Stability:** Ensure that the mounting surface is stable and secure to avoid accidents.
- **Tools:** Use appropriate tools when installing or adjusting the Quick Change system. Ensure tools are in good condition.
- **Storage:** Store the Quick Change system in a dry place, away from moisture and extreme temperatures.

Instructions for Installation and Usage

1. Installation Instructions:

- Gather all necessary tools and components, including the Quick Change Ultramount and Top Plate.
- Choose a suitable location for installation that is stable and provides enough space for operation.
- Use the included mounting hardware to securely attach the Top Plate to the Ultramount.
- Ensure all screws and bolts are tightened properly to avoid any instability.
- If using additional accessories, follow their specific installation instructions.

2. Usage Instructions:

- To mount your press, align it with the Top Plate and secure it using the provided hardware.
- When changing presses or tools, ensure the system is disengaged and follow the removal instructions carefully.
- Store any unused equipment safely using Inline's QC storage docks (sold separately).
- Always ensure the area is clear of obstructions before operating the press.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent injury or environmental harm.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the manufacturer directly through their official contact channels. Ensure to have your product information ready for reference.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety and for choosing Inline Fabrication products.
