

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRMNT TOP PLATE/BOLT FOR REDDING BIG BOSS/BOSS II PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all components are compatible with your reloading press and equipment.
- Always inspect the product for any damage or wear before use.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Mounting Safety:** Ensure that the Quick Change Ultra Mount is securely attached to a stable surface before use. Loose mounts may cause equipment to shift or fall.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for the mounted equipment.
- **Tool Safety:** Use appropriate tools when installing or adjusting the mount. Wear safety glasses to protect your eyes from debris.
- **Electrical Safety:** If using electrical tools for installation, ensure that they are in good working condition and follow all safety guidelines provided by the manufacturer.
- **Environmental Safety:** Avoid using the product in damp or wet conditions to prevent slips and falls.

Instructions for Installation and Usage

1. Installation:

- Select a sturdy and flat surface for mounting your Quick Change Ultra Mount.
- Use the provided mounting hardware to securely attach the mount to the surface.
- Ensure that all screws and bolts are tightened properly to avoid any movement during use.
- If using additional Top Plates, follow the specific instructions included with those products.

2. Usage:

- To mount your reloading press, align it with the Ultra Mount and secure it according to the provided instructions.
- When changing or storing presses, ensure that the area is clear of obstacles and that you have a firm grip on the equipment.
- Always remove the press from the mount before attempting any maintenance or adjustments.

3. Storage:

- When not in use, store the Quick Change Ultra Mount and any attached equipment in a dry, safe place.
- If using QC storage docks, ensure they are properly installed and capable of supporting the weight of the stored equipment.

Disposal Instructions

- Dispose of packaging materials responsibly by recycling where possible.
- If the product is no longer usable, follow local regulations for disposing of metal and plastic components.
- Ensure that any hazardous materials (if applicable) are disposed of in accordance with local environmental regulations.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or customer service for assistance.
