

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC

ULTRAMOUNT TOP PLATE & BOLT KIT FOR REDDING BOSS PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.

NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instruction Guide

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits from Inline Fabrication. This product is designed to enhance your reloading experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that the workspace is clean and free of obstructions before using the product.
- Keep all tools and accessories out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage. Do not use if any parts are broken or missing.
- Follow all local laws and regulations regarding reloading and the use of related equipment.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the Quick Change Ultra Mount only for its intended purpose as described in the product documentation.
- Ensure that the Quick Change Ultramount is securely mounted before attaching any reloading press or tool.
- Avoid overloading the mount with excessive weight or pressure.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading.
- Do not attempt to modify or alter the Quick Change Ultra Mount or its components.
- If using the product in a different environment (e.g., transport to a cabin or friend's house), ensure it is securely stowed to prevent damage or accidents.

Instructions for Installation and Usage

1. Installation of the Quick Change Ultra Mount:

- Choose a stable and flat surface for mounting.
- Use the provided bolts and hardware to securely attach the Ultramount to your workbench or wall.
- Ensure that the mount is level and tightly fastened to prevent movement during use.

2. Attaching the Press:

- Align the Quick Change Top Plate with the Ultramount.
- Securely attach the press to the Top Plate using the provided mounting hardware.
- Doublecheck that all screws and bolts are tightened properly.

3. Using the Quick Change System:

- To swap out presses, loosen the mounting hardware and carefully remove the press from the Top Plate.
- Store the removed press in a safe location, ensuring it is secure and protected from damage.
- To mount a different press, follow the attachment instructions above.

4. Maintenance:

- Regularly check all connections and bolts for tightness.
- Clean the Ultramount and Top Plate to remove any debris or buildup that may affect performance.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any questions or concerns regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please contact your local retailer or visit the manufacturer's website for additional resources and support.

By following these guidelines, you can ensure a safe and enjoyable reloading experience with your Quick Change Ultra Mount Top Plate & Bolt Kits. Thank you for your attention to safety!
