

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE & BOLT KIT FOR REDDING BOSS PRESS

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Safety Instruction Guide for QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS from Inline Fabrication. This product is designed to enhance your reloading experience. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep all accessories and components out of reach of children and pets.
- Regularly inspect the product for any signs of wear or damage.
- Do not modify or alter the product in any way.
- Follow all local laws and regulations concerning reloading equipment.
- Always wear appropriate personal protective equipment (PPE) when using reloading tools.

Specific Safety Precautions for Use

- Ensure the Quick Change Ultramount is securely installed before use.
- Avoid overloading the mount with excessive weight.
- Do not use the product in wet or humid conditions to prevent electrical hazards.
- Be mindful of sharp edges and moving parts during installation and use.
- Always ensure that the workspace is clean and organized to prevent accidents.
- If you experience any difficulties during installation or operation, stop using the product and consult the manual.

Instructions for Installation and Usage

Installation

1. Gather all necessary tools and components.
2. Ensure that the workspace is clean and free of clutter.
3. Identify the location for mounting the Quick Change Ultramount.
4. Use a level to ensure the Ultramount is installed straight.
5. Secure the Ultramount to the work surface using the provided mounting hardware.
6. Confirm that all bolts are tightened and the mount is stable before proceeding.

Usage

1. To attach your reloading press, align it with the Quick Change Ultramount.
2. Secure the press using the provided bolts, ensuring it is tightly fastened.
3. For changing presses, simply loosen the bolts, remove the current press, and replace it with another as needed.
4. Store unused presses and accessories in a safe location, preferably on Inline's QC storage docks (sold separately).
5. After use, ensure all equipment is cleaned and stored properly to maintain functionality.

Disposal Instructions

- Follow local regulations for the disposal of any product components.
- Do not dispose of in household waste.

- Consider recycling options for metal and plastic parts.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to your local distributor or refer to the Inline Fabrication website for further assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable reloading experience with your QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. Thank you for your attention to safety!
