

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC

ULTRAMOUNT TOP PLATE/BOLT KIT FOR REDDING ULTRAMAG PRESS

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separately). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instruction Guide

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS. This product is designed to enhance your reloading experience while ensuring safety and efficiency. Please read this safety instruction guide carefully before using the product to understand how to use it safely and effectively.

General Safety Guidelines

- Ensure that all nonfood products, including this kit, are used safely.
- Be aware of risks that may not be covered by other laws.
- If you purchase this product online, know that you have the same safety protections as if you bought it in a physical store.
- Extra precautions should be taken if children are present while using this product.
- Always report unsafe products or accidents to the relevant authorities.
- Stay updated on any recall notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always read and follow the manufacturer's instructions carefully.
- Use the product only for its intended purpose as described in the manual.
- Ensure that the workspace is clean and free of clutter before installation or usage.
- Check for any damage to the product before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Wear appropriate safety gear, such as safety glasses and gloves, when using this product.
- Do not modify the product in any way that may affect its safety or functionality.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Ensure your workspace is welllit and organized.

2. Installation:

- Identify the mounting location on your reloading bench.
- Use the included mounting hardware to securely attach the Quick Change Ultramount to the bench.
- Ensure that the mount is level and firmly secured before proceeding.

3. Using the Quick Change System:

- To attach a press, align it with the Ultramount and press down until it locks into place.
- To remove the press, lift it straight up off the Ultramount.
- If using additional storage docks, follow the specific instructions provided with those products.

4. Maintenance:

- Regularly inspect the mount and plates for wear or damage.
- Clean the product with a dry cloth; do not use harsh chemicals.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, check with local authorities for guidelines on disposal of metal and plastic components.
