

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRMNT TOP PLATE/BOLT FOR SHORT ACTION CUSTOM NEXUS PRES

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 pressS w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instructions

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits by Inline Fabrication. This product is designed to enhance your reloading experience by providing a flexible and efficient mounting solution for your reloading presses and tools. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or accidents related to the use of this product to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the Quick Change Ultra Mount, ensure that it is securely attached to a stable surface before mounting any equipment.
- Do not exceed the weight limit specified by the manufacturer for the mounted equipment.
- Use caution when changing equipment to avoid pinching or injury.
- Ensure that the area around the mount is clear of obstacles and hazards.
- Always wear appropriate personal protective equipment (PPE) when reloading, including safety glasses and gloves.

Instructions for Installation and Usage

Installation

1. **Prepare the Work Area:** Ensure that your workbench or mounting surface is clean and free of debris.
2. **Attach the Ultra Mount:**
 - Place the Quick Change Ultra Mount on the desired surface.
 - Use the included mounting hardware to secure the mount firmly.
 - Doublecheck that all screws and bolts are tightened properly.
3. **Install the Top Plate:**
 - Align the Top Plate with the mounting holes on the Ultra Mount.
 - Secure the Top Plate using the provided bolts and ensure it is tightly fastened.

Usage

1. **Mounting Equipment:**
 - To mount your reloading press or tool, align it with the Top Plate.
 - Secure it in place according to the manufacturer's instructions.
 - Ensure that the equipment is stable and properly locked in place.
2. **Changing Equipment:**
 - To change equipment, simply release the locking mechanism and remove the press/tool from the mount.
 - Store the removed equipment safely to prevent damage.
 - Repeat the mounting process with the new equipment.

3. **Storage:**

- When not in use, consider storing the equipment in a safe location, such as on Inline's QC storage docks, to keep your workspace organized.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product reaches the end of its life cycle, dispose of it responsibly. Check for local recycling programs that accept metal and plastic components.

Contact Information for Further Support

For further assistance regarding the Quick Change Ultra Mount Top Plate & Bolt Kits, please refer to the manufacturer's website or customer support resources for detailed information and guidance.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the Quick Change Ultra Mount Top Plate & Bolt Kits!
