

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - QC ULTRAMOUNT TOP PLATE/BOLT FOR VIPER/BROWNELLS BARREL VISE

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs.

NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

Quick Change Ultra Mount Top Plate & Bolt Kits Safety Instruction Guide

Introduction

Thank you for choosing the Quick Change Ultra Mount Top Plate & Bolt Kits. Inline Fabrication is committed to ensuring the safety and satisfaction of our customers. This guide provides essential safety instructions and guidelines to ensure safe usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Follow local regulations and guidelines regarding the use of reloading equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the product.
- Ensure that your working area is clean, welllit, and free from clutter to prevent accidents.
- Do not overload the Quick Change Ultramount; adhere to the manufacturer's weight limits.
- Be cautious when handling heavy equipment. Use proper lifting techniques to avoid injury.
- Ensure that all components are securely fastened before use to prevent accidental disassembly.
- Do not modify the product in any way. Unauthorized modifications can lead to unsafe conditions.
- Store the product in a dry, safe location when not in use.

Instructions for Installation and Usage

1. Installation:

- Read all instructions carefully before starting the installation.
- Ensure that you have all necessary tools and components before beginning.
- Choose a suitable location on your workbench that can support the weight of the mounted equipment.
- Use the provided mounting hardware to securely attach the Quick Change Top Plate to your Quick Change Ultramount.
- Doublecheck that all fasteners are tightened properly before proceeding.

2. Usage:

- To attach or detach the press from the Ultramount, follow the quick change procedure provided in the product manual.
- Make sure the press is completely detached before attempting to store or swap it out.
- Regularly check the stability of the mounted equipment during use.

3. Maintenance:

- Periodically inspect the Quick Change Ultramount and Top Plate for signs of wear or damage.
- Clean the product with a soft, dry cloth. Avoid using harsh chemicals that may damage the

surface.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support
