

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS - INLINE FABRICATION QC ULTRAMOUNT TOP PLATE/BOLT FOR VIPER/BROWNELLS BARREL VISE

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Inline Fabrication manufactures several accessories to enhance your reloading experience. One mount, countless uses! A challenge for the modern reloader is sometimes they have more presses, calibers, case prep tools or desktop gadgets than available bench space. Trying to work in a crowded, cramped space is not an enjoyable thing. This is where the Quick Change system comes in. By using 1 or 2 of the quick change Ultramounts, you can have one press mounted, but store the rest of your equipment up and out of the way on the wall using Inline's QC storage docks (sold separate). Maybe you bring your press into the house from the garage after reloading, take it to the weekend cabin, a buddies house, etc. It literally takes 30 seconds to remove it, stow it and swap it out with another. It has the ROCK solid rigidity of a fixed mount with the convenience and efficiency of quick change. These Quick Change Top Plates include the needed mounting hardware to bolt right up to your Quick Change Ultramount (Sold Separate). Also includes options for case prep tool Top Plates and popular vises for your gun building needs. NOTE: SKU 430112070 (UTP5.1) QC kit for Lee Pro1000 press w/bin bracket is not for the new 2018 Lee Pro 1000 presses.

QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS Safety Instruction Guide

Introduction

Thank you for choosing the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS by Inline Fabrication. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the workspace is clean and organized to prevent accidents.
- Use the product only for its intended purpose as described in the product documentation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before each use.
- If you notice any defects or unusual performance, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Ensure that all components are securely fastened before use to prevent accidental disassembly.
- Never exceed the manufacturer's recommended load limits when using the mount.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading materials.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Be aware of your surroundings and ensure that no one is in close proximity to the equipment while in use.

Instructions for Installation and Usage

Installation

1. Prepare the Mounting Surface:

- Ensure the surface is clean, dry, and stable.
- Use a level to confirm that the surface is even.

2. Attach the Quick Change Ultramount:

- Align the Ultramount with the predrilled holes on the mounting surface.
- Use the provided bolts and hardware to secure the Ultramount firmly.
- Doublecheck that all bolts are tightened to prevent movement during use.

3. Install the Quick Change Top Plate:

- Attach the Top Plate to the Ultramount using the included mounting hardware.
- Ensure that the Top Plate is securely fastened and properly aligned.

Usage

1. Mounting Your Press:

- To mount your press, align it with the Quick Change Top Plate.
- Secure the press by following the manufacturer's instructions for your specific model.

2. Changing Equipment:

- To change equipment, simply release the press from the Top Plate.
- Store the removed equipment in a safe location.

3. Regular Maintenance:

- Periodically check all connections and bolts for tightness.
- Clean the mounting area and equipment regularly to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- When the product reaches the end of its life, consider recycling components where possible.
- Do not dispose of the product in household waste. Follow local guidelines for safe disposal of electronic and mechanical components.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the QUICK CHANGE ULTRA MOUNT TOP PLATE & BOLT KITS, please refer to the contact information provided with your product or visit the manufacturer's website to access support resources.

Note: This safety instruction guide is designed to enhance user safety and compliance with the EU General Product Safety Regulation (GPSR). Always prioritize safety and consult professionals if you have any doubts about the use of this product.
