

DAKA SOFT CASE - MAGPUL SC35 DAKA 35" SOFT CASE BLACK

DAKA SOFT CASE The Magpul DAKA Soft Case SC35 is a soft rifle case made from Magpul's proprietary DAKA Grit material, making the case lightweight, flexible, durable, and weather resistant. The SC35 measures 35" (L) X 12" (W) X 3" (H) and is designed to be used on those days when weight, speed, and flexibility matter the most. It functions as a travel bag for your car, a range bag, or a hunting case. It was even designed to nest securely inside our DAKA Hard Case C35 for those times that require extra protection for your travels, but you also need light weight and flexibility at your destination. The Magpul DAKA Soft Case SR44 is a soft rifle case made from Magpul's proprietary DAKA Grit material, making the case lightweight, flexible, durable, and weather resistant. The SR44 measures 44" (L) X 12" (W) X 3" (H) and is designed to be used on those days when weight, speed, and flexibility matter the most. It functions as a travel bag for your car, a range bag, or a hunting case. It was even designed to nest securely inside our DAKA Hard Case R44 for those times that require extra protection for your travels, but you also need light weight and flexibility at your destination. The Magpul DAKA Soft Case SLR53 is a soft rifle case made from Magpul's proprietary DAKA Grit material, making the case lightweight, flexible, durable, and weather resistant. The SLR53 measures 53" (L) X 12" (W) X 3" (H) and is designed to be used on those days when weight, speed, and flexibility matter the most. It functions as a travel bag for your car, a range bag, or a hunting case. It was even designed to nest securely inside our DAKA Hard Case LR53 for those times that require extra protection for your travels, but you also need light weight and flexibility at your destination. The case's two external YKK Aquaguard® zippers are extremely rugged and include easy-grip 550 cord pulls that are reinforced with heat shrink wrap. The case has a MOLLE-style base and includes four reconfigurable DAKA Gear Straps to secure a rifle, MOLLE-compatible pouches, or other gear. The interior of the lid features three stretchable mesh pockets to hold up to six PMAG® LR/SR GEN M3 sized magazines, a mesh organizational pocket for small items, and a zippered pocket for accessories and documents such as NFA paperwork, targets, manuals, and other important materials. The DAKA Grit material consists of a 600D kiss-coat TPU facing layer and a TPU backing layer that are joined with RF-welded seams, providing advanced environmental, dirt, and wear protection for your gear. Other exterior features include an RF-welded ID card slot and a dot matrix grid for keeping tabs on your case. Transporting the DAKA Soft Case is customizable to shooter needs; it includes two built-in carry handles and two stowable attachment points located on the side of the case. They allow connection of a rifle sling (not included) via QD sling swivels, Paraclips™, MASH Hooks, or other similar connecting devices to support carrying over the shoulder when the case is loaded with firearms and other gear. DAKA SOFT CASE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the DAKA Soft Case Magpul SC35. This guide provides important safety instructions to ensure the safe use and maintenance of your soft case. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a soft rifle case.
- Inspect the product regularly for any signs of wear or damage before each use.
- Keep the case out of reach of children and vulnerable individuals to prevent accidents.
- Use the case in accordance with local laws and regulations regarding firearm transportation.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that firearms are unloaded before placing them in the case.
- Do not exceed the weight limit of the case; check the specifications for maximum capacity.
- Avoid exposing the case to extreme temperatures or harsh environmental conditions for extended periods.
- Use the YKK Aquaguard zippers carefully to prevent damage; do not force them open or closed.
- When using the MOLLEstyle base and DAKA Gear Straps, ensure that all items are securely fastened to prevent shifting during transport.
- When attaching a sling or other carrying device, ensure that it is properly secured to avoid accidental detachment.

Instructions for Installation and Usage

Setting Up the Case

1. **Unpacking:** Remove the DAKA Soft Case from its packaging and inspect for any visible damage.
2. **Storage Organization:**
 - Use the three stretchable mesh pockets for magazines.
 - Utilize the zippered mesh organizer pocket for smaller items.
 - Place larger documents in the designated large document pocket.
3. **Securing Firearms:**
 - Open the case and lay it flat.
 - Place the unloaded firearm inside the case.
 - Use the DAKA Gear Straps to secure the firearm in place.
 - Ensure all zippers are fully closed after securing the contents.

Transporting the Case

1. **Carrying:** Use the builtin carry handles for easy transport.
2. **Attachment Points:** If desired, connect a rifle sling using the stowable attachment points for overtheshoulder carrying.
3. **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

Disposal Instructions

- When the DAKA Soft Case reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for the proper disposal of polymer and fabric materials.

- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the DAKA Soft Case, please refer to the product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure the safe and effective use of your DAKA Soft Case. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
