# Safety Instruction Guide for ARM BRACE SIDE FOLDING

## Introduction

Thank you for choosing the ARM BRACE SIDE FOLDING manufactured by Midwest Industries, Inc. This product is designed to enhance your firearm's functionality while ensuring safety and compliance with applicable regulations. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Always ensure the product is used in compliance with all relevant federal, state, and municipal laws or statutes.
- Handle the firearm and accessories with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the arm brace for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the arm brace is securely attached to the firearm before use.
- Do not exceed the weight limit of the arm brace as specified by the manufacturer.
- Use only compatible firearms as indicated in the product specifications.
- Always engage the locking mechanism when the arm brace is in use.
- Make sure the arm brace is in the correct position (right or left folding) before use.
- Avoid using the arm brace in extreme environmental conditions that may affect its performance.
- Do not modify the arm brace or use it in a manner not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing stock or brace from the firearm.
- Align the arm brace with the buffer tube of the firearm.
- Secure the arm brace using the provided steel clamp, ensuring a tight fit.
- Confirm that the locking lug is fully engaged for maximum strength.

### 2. Usage:

- To fold the arm brace, press the release mechanism and gently fold it to the desired position (right or left).
- To deploy the arm brace, pull it back into the extended position until you hear a click, indicating it is locked in place.
- Attach your sling to one of the 5 QD sling attachment points as needed.
- Always check that the arm brace is securely locked in either position before firing.

## Disposal Instructions

- Dispose of the arm brace in accordance with local regulations regarding metal and aluminum products.
- Ensure that any components that may pose a safety risk are properly recycled or disposed of.

- If the product is damaged beyond repair, do not attempt to use it and dispose of it safely.

## **Contact Information for Further Support**

For any questions or concerns regarding the ARM BRACE SIDE FOLDING, please refer to the manufacturer's website or contact their customer support directly. Ensure you have the product details handy for efficient assistance.

By following these guidelines, you can help ensure your safety and the proper functioning of the ARM BRACE SIDE FOLDING. Thank you for your attention to these important safety instructions.
