# ALPHA TANK BRAKE Safety Instruction Guide

## Introduction

Thank you for choosing the ALPHA TANK BRAKE from MIDWEST INDUSTRIES, INC. This product is designed to enhance your shooting experience by reducing muzzle climb. However, to ensure your safety and the safety of others, please follow the guidelines and instructions outlined in this manual.

## General Safety Guidelines

- Always treat all firearms and their components as if they are loaded.
- Keep the ALPHA TANK BRAKE out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Inspect the product regularly for wear and damage.
- Ensure that the product is installed correctly before use.
- Be aware of your surroundings and ensure that the shooting area is safe.
- Report any unsafe products or accidents to authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the ALPHA TANK BRAKE.
- Do not exceed the recommended specifications for your firearm.
- Use only compatible thread pitches: 24MM / M14X1LH / 1/2X289MM.
- Wear appropriate eye and ear protection while shooting.
- Do not modify the ALPHA TANK BRAKE or use it in a manner not specified in this guide.
- Be cautious of potential hazards such as ricochets or debris when firing.
- Ensure that no obstructions are present in the path of the muzzle.

## Instructions for Installation and Usage

### Installation Steps

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Clean the Threads:** Clean the threads of the barrel and the ALPHA TANK BRAKE to ensure a proper fit.
3. **Align the Brake:** Align the ALPHA TANK BRAKE with the threads on the barrel.
4. **Hand Tighten:** Hand tighten the brake onto the barrel until snug.
5. **Use a Tool:** If necessary, use a wrench to securely tighten the brake, but do not overtighten to avoid damage.
6. **Check Alignment:** Ensure that the brake is aligned correctly and does not obstruct the sight line.

### Usage Instructions

- Fire the firearm in a controlled and safe environment.
- Monitor the performance of the ALPHA TANK BRAKE during use.
- If you notice any unusual sounds or performance issues, stop using the firearm immediately and inspect the brake.

## Disposal Instructions

- Dispose of the ALPHA TANK BRAKE in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ALPHA TANK BRAKE, please refer to the contact information provided with your product packaging. Ensure that you have the product details on hand when seeking assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your ALPHA TANK BRAKE. Thank you for your attention to safety, and enjoy your shooting experience responsibly.
