ALPHA TANK BRAKE Safety Instruction Guide

Introduction

Thank you for choosing the ALPHA TANK BRAKE manufactured by MIDWEST INDUSTRIES, INC. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to ensure the proper and safe use of the ALPHA TANK BRAKE.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure the ALPHA TANK BRAKE is compatible with your firearm before installation.
- Follow all local laws and regulations regarding firearm modifications.
- Store the product in a secure location away from children and unauthorized users.
- Inspect the ALPHA TANK BRAKE regularly for signs of wear or damage.
- Report any unsafe product incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware that improper installation or use of the ALPHA TANK BRAKE may lead to increased recoil or muzzle climb, which could result in loss of control.
- **Vulnerable Groups:** Keep this product out of reach of children and individuals who are inexperienced with firearms.
- **Personal Protective Equipment:** Always wear appropriate safety gear, including eye and ear protection, when using firearms equipped with the ALPHA TANK BRAKE.
- **Usage Environment:** Use the ALPHA TANK BRAKE only in safe and designated shooting areas.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure your firearm is unloaded and safe to handle.
- Gather necessary tools: a wrench and any other tools required for your specific firearm.

2. Thread Compatibility:

- Confirm that your firearm has a compatible thread pitch: 1/2X289MM, 24MM, or M14X1LH.

3. Installation Steps:

- Align the ALPHA TANK BRAKE with the threaded muzzle of your firearm.
- Handtighten the brake onto the threads to ensure proper fit.
- Use a wrench to secure the brake, being careful not to overtighten, which could damage the threads.
- Check for any movement or looseness before use.

Usage Instructions

- **Operational Checks:** Before shooting, ensure the ALPHA TANK BRAKE is securely attached.
- **Shooting Practice:** Begin shooting in a controlled environment to familiarize yourself with the performance of the brake.
- **Maintenance:** Clean the ALPHA TANK BRAKE after use to prevent debris buildup and ensure optimal

performance.

Disposal Instructions

- Dispose of the ALPHA TANK BRAKE in accordance with local regulations regarding metal products.
- If the product is damaged or no longer in use, do not discard it in regular trash. Instead, take it to a recycling center that accepts metal components.

Contact Information for Further Support

For any questions or concerns regarding the ALPHA TANK BRAKE, please refer to the manufacturer's website or contact your local distributor. Ensure you have your product details on hand for a more efficient response.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your ALPHA TANK BRAKE. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
