ALPHA TANK BRAKE Safety Instruction Guide

Introduction

Thank you for choosing the ALPHA TANK BRAKE by MIDWEST INDUSTRIES, INC. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage prior to use.
- Always wear appropriate safety gear, including eye protection, when using firearms equipped with this product.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to malfunction or injury. Excessive heat or pressure may cause the product to fail. Always ensure the firearm is unloaded before installation or removal of the brake.
- **Avoiding Hazards:** Follow all installation instructions carefully. Do not attempt to modify the product in any way. Use only compatible firearms as specified in the product specifications.
- **Age Warning:** This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Clean the muzzle area of the firearm to remove any debris or residue.
- Align the ALPHA TANK BRAKE with the threaded muzzle of the firearm.
- Handtighten the brake onto the threads. Use a wrench if necessary, but do not overtighten.
- Verify that the brake is securely attached before use.

2. Usage:

- Always confirm that the firearm is in good working condition before use.
- When firing, maintain a firm grip on the firearm to manage recoil effectively.
- If you experience any unusual sounds or malfunctions, cease use immediately and inspect the product.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw away in regular household waste.
- For guidance on disposal, contact local waste management authorities.

Contact Information for Further Support

For any questions or concerns regarding the ALPHA TANK BRAKE, please refer to the contact details provided by the manufacturer. Ensure you have the product information ready for efficient assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your ALPHA TANK BRAKE. Always prioritize safety and stay informed about best practices for using firearm accessories. Thank you for being a responsible firearm owner.
