# ALPHA TANK BRAKE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the ALPHA TANK BRAKE manufactured by MIDWEST INDUSTRIES, INC. This safety instruction guide provides important information about the safe use, installation, and disposal of your product. Please read this guide carefully to ensure proper handling and to maximize safety during use.

## General Safety Guidelines

- Ensure that the ALPHA TANK BRAKE is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the product for any signs of damage or wear.
- Store the product in a secure location away from children and unauthorized users.
- Keep this guide accessible for future reference.

## Specific Safety Precautions for Use

- **Muzzle Climb Reduction:** The ALPHA TANK BRAKE is designed to reduce muzzle climb. Ensure proper installation to maximize this feature.
- **Material Safety:** The brake is constructed from 416 Stainless Steel. Handle with care to avoid cuts or injuries.
- **Thread Compatibility:** This product is made for thread pitches of 24MM / M14X1LH / 1/2X289MM. Ensure compatibility with your firearm before installation.
- **Weight Consideration:** The ALPHA TANK BRAKE weighs 12 oz. Ensure that your firearm can accommodate this weight without affecting handling.
- **Usage Environment:** Use the brake in a safe environment, ensuring that bystanders are at a safe distance during firing.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Clean the threaded area of the muzzle to remove any debris or residue.
- Align the ALPHA TANK BRAKE with the threads of the muzzle.
- Carefully screw the brake onto the muzzle, ensuring it is tightened securely but not overtightened, which could damage the threads.
- Check the alignment and ensure that the brake is securely attached before use.

### 2. Usage Instructions:

- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.
- Fire the weapon in a controlled environment, following local laws and regulations regarding firearm usage.
- Monitor the brake for any signs of wear or damage after use, and inspect it before each use.

## Disposal Instructions

- When disposing of the ALPHA TANK BRAKE, follow local regulations regarding metal recycling and disposal of firearm accessories.
- Ensure that the product is completely disassembled if necessary and that all components are disposed of properly.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the ALPHA TANK BRAKE, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

Following these safety guidelines will help ensure a safe and effective experience with your ALPHA TANK BRAKE. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important instructions.
