Safety Instruction Guide for ALPHA BLAST DIVERTER

Introduction

Thank you for choosing the ALPHA BLAST DIVERTER from MIDWEST INDUSTRIES, INC. This product is designed to enhance your shooting experience by directing muzzle blast forward, away from the shooter. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the ALPHA BLAST DIVERTER is installed correctly before use.
- Use the product only with compatible firearms and thread pitches (M14X1LH / 24MM / 1/2X28).
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the ALPHA BLAST DIVERTER for any signs of wear or damage.
- In case of any malfunction or damage, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to injury or damage to the firearm.
- The product may become hot during use; handle with care.
- Muzzle blast can create noise and debris; ensure a safe distance from others.

- **Avoiding Hazards:**

- Follow all installation and usage instructions carefully.
- Wear appropriate hearing protection when using the firearm.
- Ensure that the shooting area is clear of bystanders and flammable materials.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a responsible adult.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threaded area of the firearm to remove any debris.
- Align the ALPHA BLAST DIVERTER with the threads and gently screw it onto the muzzle, ensuring it is secure.
- Use a wrench to tighten the endcap if necessary, but do not overtighten.

2. Usage:

- Before firing, doublecheck that the ALPHA BLAST DIVERTER is securely attached.
- Fire the firearm in a safe environment, ensuring that the muzzle blast is directed away from yourself and others.
- After use, allow the product to cool before handling.

Disposal Instructions

- Dispose of the ALPHA BLAST DIVERter in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional support regarding the ALPHA BLAST DIVERter, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to assistance in case of safety concerns or product-related questions.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ALPHA BLAST DIVERter. Always prioritize safety and responsibility when using firearms and related accessories.
