# ALPHA BLAST DIVERTER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ALPHA BLAST DIVERTER by MIDWEST INDUSTRIES, INC. This product is designed to enhance your shooting experience by directing muzzle blast forward, away from the shooter. As with any firearm accessory, proper usage and safety precautions are essential. This guide provides important safety instructions and information to ensure safe and effective use of the ALPHA BLAST DIVERTER.

## General Safety Guidelines

- Always treat all firearms and accessories as if they are loaded.
- Ensure you are familiar with your firearm's operation and safety features.
- Always wear appropriate eye and ear protection when using firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the ALPHA BLAST DIVERTER for signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the ALPHA BLAST DIVERTER is compatible with your firearm's thread pitch (M14X1LH / 24MM / 1/2X28).
- Do not exceed the manufacturer's specifications regarding the type of ammunition used.
- Avoid using the product in environments where it may be exposed to extreme temperatures or moisture.
- Do not attempt to modify or alter the ALPHA BLAST DIVERTER in any way.
- Ensure that the product is securely attached to the firearm before use.
- Use the product only for its intended purpose as described in this guide.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Clean the threads on your firearm where the ALPHA BLAST DIVERTER will be installed.
- Carefully screw the ALPHA BLAST DIVERTER onto the firearm's muzzle, ensuring it aligns with the thread pitch.
- Use a wrench to tighten the endcap, ensuring it is secure, but do not overtighten.
- Verify that the product is properly installed and does not wobble or loosen.

### 2. Usage:

- Always follow all safety protocols associated with firearm operation.
- Ensure that the area is clear of bystanders before firing.
- Use the ALPHA BLAST DIVERTER in a wellventilated area to avoid inhaling any gases or debris.
- After use, clean the ALPHA BLAST DIVERTER according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the ALPHA BLAST DIVERTER in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods for metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the ALPHA BLAST DIVERTER, please reach out to your local retailer or the manufacturer. Always ensure you have the latest information regarding safety updates or product recalls.

By following these safety instructions, you can ensure a safe and enjoyable experience with the ALPHA BLAST DIVERTER. Thank you for prioritizing safety and responsible usage.
