Safety Instruction Guide for STRIKEFORCE GEN2 SKS STOCK W/TRACLOCK

Introduction

Thank you for choosing the STRIKEFORCE GEN2 SKS STOCK W/TRACLOCK. This guide provides important safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the STRIKEFORCE GEN2 SKS STOCK W/TRACLOCK by following all instructions. This product is designed for SKS rifles and may require minor modifications.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements. Always verify the credibility of the seller.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to the EU-based contact information provided by your retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Modification Warning:** Minor modifications may be required for proper fitting. Always consult a professional gunsmith if unsure.
- **Blade Bayonet Removal:** Ensure that the blade bayonet is removed before installation and use of the stock.
- **Firing Position:** The stock can be fired from a folded position, but ensure it is securely locked before use.
- **Chemical Exposure:** The stock is designed to be resistant to chemicals and extreme temperatures; however, avoid prolonged exposure to harsh substances.
- **Recoil Management:** The stock includes features to absorb recoil impact. Practice safe handling to minimize challenges in reacquiring the target.
- **Sling Attachments:** Ensure that sling swivel studs are securely mounted before use to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools and mounting hardware included with your stock.
- Read through all instructions carefully before beginning installation.

2. Installation:

- Remove the existing stock from your SKS rifle according to the manufacturer's instructions.
- Align the STRIKEFORCE GEN2 SKS STOCK W/TRACLOCK with the rifle's receiver.
- Securely attach the stock using the provided mounting hardware, ensuring all screws and fittings are tight.
- Check that the stock is properly aligned and functioning before use.

3. Usage:

- Adjust the stock to your preferred position using the TactLite GEN2 SixPosition Adjustable Stock feature.
- Ensure the stock is locked in place before firing.
- Use the removable/adjustable cheekrest to fit your shooting style and comfort.
- Regularly inspect the stock and attachments for wear and tear.

Disposal Instructions

- **Environmental Considerations:** Dispose of the stock and any associated materials in accordance with local regulations.
- **Recycling:** If applicable, recycle any polymer components through designated recycling programs.
- **Hazardous Materials:** If the stock shows signs of damage or wear, treat it as hazardous waste and follow local disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the STRIKEFORCE GEN2 SKS STOCK W/TRACLOCK, please consult your retailer or manufacturer's contact information for support.

Thank you for following these safety guidelines. Enjoy your STRIKEFORCE GEN2 SKS STOCK W/TRACLOCK responsibly and safely.
